

## REMARKS

With this Response, the Applicant is submitting a continuation-in-part application claiming priority of U.S. Patent Application 09/614,821, filed July 12, 2000. In this CIP application, new 103 page specification including new claims 1 – 80 are being submitted for consideration, along with twenty-seven (27) corresponding new drawing sheets containing figures corresponding to the present invention. The title of the invention is also amended herein. In light of the new claims, a previously named inventor, Pierre Barrette, is hereby deleted as a named inventor of the present application.

Also attached to this Response are the following documents:

- Petition for Extension of Time, respectfully requesting that the Office grant a three month extension of time to respond to the pending Office Action, from December 25, 2003 to March 25, 2004;
- Revocation of Power of Attorney;
- Utility Patent Application Transmittal (CIP claiming priority from the present invention) and documents identified therein, including two identical compact discs containing a table corresponding to the CIP application;
- Declaration and Power of Attorney for Patent Application;
- Verified Statement of Small Entity Status executed by the inventors;
- Assignment from the inventors to AutoCart, LLC;
- Verified Statement of Small Entity Status executed by an official of AutoCart, LLC;
- Requisite Certificate of Express Mailing;
- Return postcard; and
- Check #5178 in the amount of \$1,400.00 to cover the CIP application filing fee (\$385.00 + \$540.00 for additional claims) as well as the Petition for Extension of Time (\$475.00);

Applicant submits that all of these documents comport with Office rules and entry of these documents is respectfully requested.

Date: March 23, 2004

Respectfully submitted,

By: Kevin Lynn Wildenstein
